# CHRISTMAS / HOLIDAY SONGS TIMELINE

## 1934-2003

This timeline of Christmas/Holiday songs begins in 1934, when two standards were introduced after a long drought of fresh new holiday songs. These two 1934 tunes ushered in the golden era of wonderful secular holiday songs. For this listing, a recording (such as Bing Crosby's version of "White Christmas") is only shown in the year it **first charted**. Shaded titles had a minimum of six separate entries or were top 10 hits on the "Hot 100" or top 3 hits on the Early Pop charts or #1 on the "Country," "R&B," "Adult Contemporary" or "Christmas" charts.
